The logo for ConnectUR 2023 Annual Conference features the word "CONNECTUR" in a bold, sans-serif font. The "O" is replaced by a colorful circular graphic with concentric rings and dots. Below the main text, "2023 ANNUAL CONFERENCE" is written in a smaller, all-caps font. The background of the logo area is a vibrant, multi-colored geometric pattern of triangles and circles in shades of blue, purple, pink, orange, and green.

CONNECTUR

2023 ANNUAL CONFERENCE

Who, What, Where, Why, + When

Who should go?

Are you committed to or interested in the practice of undergraduate research and its impact on students? Are you faculty, staff, a post-doc or graduate student, an administrator, or associated with undergraduate research in some other capacity? **ConnectUR 2023** is the place to be.

What is this conference?

ConnectUR 2023 is a conference that will provide a forum where attendees can draw on knowledge exchange, scholarship of teaching and learning, group discussion, tangible and scalable practices, and community building to expand their efforts. The conference will focus on the areas of contributions to the practice of undergraduate research; structures and models for building and growing undergraduate research; diversity, equity, and inclusion; advocacy and partnership/collaboration and community; and assessment, accountability, and sustainability.

When + Where is this conference?

The 2023 ConnectUR conference will take place June 22-23, 2023 *online* and June 26-28, 2023, *on-site* at Duquesne University in Pittsburgh, PA. Content for both experiences will be different, so choose the path you feel most comfortable with or take advantage of our early-bird Bundle promotion and register for the onsite version before April 21, 2023, and get the online experience for free!

Why should you go?

Our undergraduate research community thrives by having the opportunity to connect with peers in order to share practical experiences and learn from one another. Whether you are just getting started in the practice of undergraduate research or have worked in this space for many years, there are opportunities to listen, learn, share, and grow.

See you in June!
